

### III. Newly Mapped

#### A. General Information

The Newly Mapped procedure offers fixed combinations of building and contents coverage limits for properties previously located in Zones B, C, or X that have been newly mapped into a SFHA and meet certain loss history requirements. This procedure also applies to properties in Zones D, AR or A99 that have been newly mapped into a different SFHA zone and meet certain loss history requirements. The Newly Mapped procedure does not apply to properties mapped into the SFHA on the initial FIRM.
